

Globe Valve

We supply Globe Valve. The HISPEED® Globe Valves are designed and manufactured to provide maximum service life and dependability. The HISPEED® Globe Valve may be used in commercial and industrial applications, including chemical, biochemistry, pulp & paper, chemical fiber, pharmaceutical, environmental protection etc. Choose HISPEED® Globe Valves for the most specified, versatile and economical valve option in commercial, mechanical and industrial applications. The Globe Valve features a flange, easy installation and accessibility. We are expecting to become your long term partner in China.

Product Description

The HISPEED® Globe Valves are designed and manufactured to provide maximum service life and dependability. The HISPEED® Globe Valve may be used in commercial and industrial applications, including chemical, biochemistry, pulp & paper, chemical fiber, pharmaceutical, environmental protection etc. Choose HISPEED® Globe Valves for the most specified, versatile and economical valve option in commercial, mechanical and industrial applications. The Globe Valve features a flange, easy installation and accessibility. We are expecting to become your long term partner in China.

With our superb management, potent technical capability and strict quality command procedure, we go on to provide our shoppers with trustworthy high-quality, reasonable costs and outstanding services. We goal at becoming considered one of your most trustworthy partners and earning your pleasure for Hot Selling for China Industrial Flange Cast Iron & Forged Stainless Steel Globe Valve, Welcome all nice customers communicate details of products and solutions and ideas with us!! Hot Selling for China Globe Valve, Pressure Seal Globe Valve, We focus on providing service for our clients as a key element in strengthening our long-term relationships. Our continual availability of high grade solutions in combination with our excellent pre-sale and after-sales service ensures strong competitiveness in an increasingly globalized market.

Product Feature And Application

Basic Design: API623、ASME B16.34、BS1873

Face to Face Dimensions: ASME B16.10

End Flange Dimensions: ASME B16.5

Butt Welding End: ASME B16.25

Inspection and Test: API 598

Materials: ASTM
